High Risk Courses

We are proud to announce that Dawsons are now rolling out High Risk Licence courses through a partnership arrangement with Qld Training Services (RTO#31178). We currently run Forklift, Dogging, Rigging, EWP and a variety of crane tickets. We have experienced trainers and assessors on hand, ready to deliver and assess. Check out our training calendar for dates and call us to book you in. **Remember**, if you have some experience in these areas document it with a letter from your licenced supervisor or employer to assist our assessor in recognising your prior informal learning.

Are you a Supervisor and need some professional development?

If you are a Supervisor or being promoted as a Supervisor we have the course for you. Dawsons Training run a 3 day Supervisor 1,2,3 course that can provide you with skills to assist in your position. Practical on the job activities are included, contact us on training@dawsonseng.com.au
